

## WARS IN THE STARS

Heart wounded and scarred  
Feelings charred, soul dark like tar  
Wishing on a star  
The pain goes far  
End the spars, come as you are  
Find love, among my stars

UNTITLED

An Ode to Words

Words, I love you...

Even though you hurt me sometimes...you heal me too

Yes you make me cry, but I'm happy again when you make me laugh

You confuse and clarify me and for that I'm grateful

Thank you for allowing me to express myself through you in unlimited ways

## COSMIC BABES

The milky way is my ocean  
The stars align as my school of fish  
We swim with the constellations along the sky  
I orbit around the Sun for its warmth  
Then come up for air to bask in the Moon's cool light  
Gravity has no hold of me  
As the solar system frees my soul  
  
All hail Taureena, Lunar Mermaid

## DARK

Mentally ill

Fighting the will

To leave what's real

For peaceful still

Emotionally sick

Fighting the kick

To leave so quick

With just one stick

Physically drained

Fight the brain

To leave this pain

Where torture remains

FIELD OF FLOWERS

Tears flow like a shower

Weakened so I cower

Down to the last hour

Must fight and overpower

Stand tall like a tower

Rise high with new power

Watch the pain blossom into FLOWERS

## MASTERPIECE

I can be your new canvas  
Sharpen your pencil, draw me with respect  
See me as your new vision  
Clean your brushes, color me with your love  
Frame me with your heart  
I'm your Masterpiece  
Cherish my Art

## RAMPAGE

I'M A RAMPAGE  
STORM FULL OF RAGE  
DARK LIKE A PLAGUE  
FORCE CAN'T BE TAMED

WATCH ME RAMPAGE  
I SET A VENGEFUL BLAZE  
FLAMES BURN WITH CRAZE  
FRY YOU IN A HAZE

CALL ME RAMPAGE  
GONE IN THE BRAIN  
ENDED UP INSANE  
NOW LIFE KEEPS ME CHAINED

## ROLLERCOASTER OF LIFE

This ride I'm on called <LIFE> has hit me with so many twists and turns, plenty of free falls, and endless loops.

At times I wanted to unbuckle my belt and jump off this ride...

But most times I hold on tight to endure the thrills and spills, stomach drops, and dizzy spells.

I can't ride this ride again once it's over, so I better enjoy it while I CAN.

I WILL.

I throw my hands up and scream as I take the next dive on this <ROLLERCOASTER OF LIFE>

SIX

Ode to my legs

My stems

My stilts

Call me Lady Long Legs

Glamazon

YOUR ROYAL HEIGHTNESS

I once was ashamed, but now

I stand TALL

I walk MIGHTY

I dance PROUD

I'm SIX bitch

## SPIN CYCLE

She suppresses the pain to avoid scrutiny from those who can't understand and those who pretend to not understand as they suppress their pain to avoid scrutiny from those who can't understand.

Did I lose you?

I'm lost too...
